No 1339-I.B.—The following Regulations which have been recently revised by Command of His Majesty the King, Emperor of India, are published for general information:

Regulations respecting Foreign Orders and Medals.

1. It is the King's wish that no subject of His Majesty shall wear the Insignia of any Foreign Order without having previously obtained His Majesty's permission to do so, signified either:

(a) By Warrant under the Royal Sign-Manual, or

(b) By private permission conveyed through His Majesty's Private Secretary.

2. Permission given by Warrant under the Royal Sign-Manual will enable the Insignia of the Foreign Order to be worn at all times and without any restriction.

Private permission will only enable the Insignia to be worn on the occasions specified in the terms of the letter from the King's Private Secretary conveying the Royal Sanction.

3. The full and unrestricted permission by Warrant under the Royal Sign-Manual is designed, subject to the exception mentioned in Rule 4(a) respecting British Naval or Military Officers during hostilities, to meet cases where the Decoration may be said to have been earned by some valuable service rendered to the Head of the State conferring it, or to the State itself. The private or restricted permission is contemplated for Decorations which are more or less of a complimentary character. In either case, the matter will be submitted to the King by His Majesty's Principal Secretary of State for Foreign Affairs.

4. Full and unrestricted permission by Warrant under the Royal Sign-Manual is contemplated in the following cases:—

For a Decoration conferred—

(a) On an Officer in His Majesty's Naval or Military Forces lent to a Foreign Government; on an Officer in His Majesty's Naval or Military Forces attached by his Government to a Foreign Navy or Army during hostilities; or on any British Official lent to a Foreign Government and not in receipt of any emoluments from British public funds during the period of such loan.

(b) On any person not at the time in the service of the Crown, who, while himself outside the limits of His Majesty's Dominions, has rendered valuable services to the Head of the State conferring the Order, or to the State itself, within the period of two years immediately preceding the notification of the Decoration to His Majesty's Government provided for in Rule 5. The term "service of the Crown" (*supra*) comprises any person holding a Royal Commission, or any person in receipt of a salary from public funds in the United Kingdom, or in any British Dominion, Colony, or Protectorate.

(c) On any British subject employed in a Foreign Embassy or Legation in the United Kingdom.

5. The desire of the Head of a Foreign State to confer upon a British subject the Insignia of an Order, or the fact that he has done so, must be notified to His Majesty's Principal Secretary of State for Foreign Affairs either through the British Diplomatic Representative accredited to the Head of the Foreign State, or through his Diplomatic Representative at the Court of St. James. His Majesty's Principal Secretary of State for Foreign Affairs shall be under no obligation to consider claims that are not brought to his notice through one of these channels.

6. When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have obtained His Majesty's permission for the person in whose favour it has been made to wear the Insignia of a Foreign Order, he shall signify the same to His Majesty's Principal Secretary of State for the Home Department in order that he may cause a Warrant, if it be a case for the issue of a Warrant as defined in Rule 4, to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by the King, a notification thereof shall be inserted in the "Gazette," stating the service for which the Foreign Order has been conferred.

Persons in whose favour such Warrants are issued will be required to pay to His Majesty's Principal Secretary of State for the Home Department a stamp duty of 10s.

The Warrant signifying His Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms. Every such Warrant as aforesaid shall contain a clause providing that His Majesty's license and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's Realms.

7. When a British subject has received the Royal permission to accept the Decoration of a Foreign Order, he will, at any future time, be allowed to accept the Decoration of a higher class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the service of his own country; any other distinctive mark of honour strictly consequent upon the acceptance of the original Decoration, and common to every person upon whom such Decoration is conferred.

8. Medals which constitute a particular class of a Foreign Order are subject in all respects to the above Regulations in the same manner as higher grades of the Order, except that permission to wear will be given by Letter and not by Royal Warrant. The King's permission must be obtained for any other Medal to be worn. No permission is needed to accept a Foreign Medal if it is not intended to be worn.

9. Naval and Military Attachés to His Majesty's Missions abroad may, at the termination of their appointments, be given restricted private permission to wear, on certain specific occasions, the Insignia of a Foreign Order conferred upon them by the Chief of the State only in which their headquarters were situated.

No. 3873-F.E.

The 29th June, 1911.

RESOLUTION—By the Government of India, Finance Department.

In their Resolution No. 271-P., dated the 14th January 1904, the Government of India set forth the circumstances in which they deemed it desirable to constitute a new Family Pension Fund, under the style and designation of the Bengal and Madras Service Family Pension Fund. It was announced that the Fund would, at the outset, be under Government management, but that when a body of subscribers of sufficient strength came into being, Government would, as in the case of other existing funds, hand over to them the conduct of business. It was at the same time intimated that, pending the completion of the necessary actuarial calculations, the existing rates of subscription to the Bengal Uncovenanted Service Family Pension Fund would be provisionally adopted for the new fund.

2. The actuarial calculations have now been completed, and it is desirable to place the fund upon a permanent footing. The rules and tables attached to this Resolution have accordingly been prepared, and the Governor General in Council is pleased, with the approval of His Majesty's Secretary of State, to declare that the operations of the fund shall in future be governed by their provisions.

3. The rates of subscription to the Daughters' Branch, which are given in Table C, are considerably higher than those which have hitherto been prescribed for this branch. As a special concession, the Government of India have obtained the Secretary of State's sanction to a reduction by twenty-five *per centum* of the subscriptions payable under this table. The difference between the amount of the subscription so reduced and the rate prescribed in Table C will be contributed to the fund by the State. This concession will, however, be restricted to existing subscribers to the fund who either (a) already contribute to the Daughters' Branch or (b) commence to do so within three months from the date of this Resolution.

This fee shall be a charge against the Fund in every case, except when a previous application has been rejected, in which case the fee shall be payable by the applicant. Medical fee.

17. Wilful omission or misrepresentation of any facts relating to the name, age, health or constitution of the applicant, or to the name and age of the nominee, shall involve the forfeiture of all claims on the Fund.

Forfeiture of claim.

18. On receipt of the necessary papers and supply of proof of age and marriage, the application for admission shall be decided upon by the Comptroller, India Treasuries, with the advice of the Consultative Committee, which may be obtained at one of its meetings or by circulation of the papers to the members. He shall, subject to the approval of the Comptroller General, whose decision shall be final, be at liberty to refuse admission to an applicant without assigning any reasons for doing so.

Admission of application.

19. The admission of the application shall be intimated to the applicant by the Comptroller, India Treasuries, by letter in Form F. On receipt of the amount mentioned in Form F, an Entrance Certificate in Form G, will be issued to the subscriber. The Fund accepts no liability in case of death prior to the receipt of the first month's entrance subscription as mentioned in the said Form F.

Intimation of admission.

NOTE.—An application for admission as a subscriber to the Widows' Fund, submitted before marriage, shall be valid only if the marriage of the applicant with the nominee, whose name is entered in Form C, takes place within three months of the date of application. The liability of the Fund shall commence from the date of such marriage, and on production of the certificate of marriage. Payment of subscription shall be regulated from the date of admission under Rule 18.

20. A certificate by a Public Registrar, or other competent authority, of marriage having been duly solemnised, shall be considered sufficient evidence of

the marriage for the purposes of the Fund. In cases of Hindus, etc., the registration of whose marriage is not compulsory, an affidavit sworn by a person duly authorised to administer oaths shall be accepted.

21. A subscriber wishing to increase the recorded provision for his family, or to provide for his wife or any children not already on the Fund; shall, in all respects, conform to the Rules and comply with the Forms prescribed for observance in cases of original application for admission. An intimation of such increase shall be given in Forms H and I.

22. A subscriber shall be at liberty, on application, to decrease or cancel the recorded provision for his family. An intimation of such decrease shall be given in Forms J and K.

23. A fresh Entrance Certificate shall be granted to a subscriber applying to enter the Fund upon re-marriage, the former certificate being valid in regard to the children who may have been already admitted.

24. If the connection of a subscriber with the service of Government shall cease, he shall nevertheless, subject to the provisions of note to Rule 3, be considered a member of the Fund, and be entitled to increase or decrease the recorded provision for his family, and otherwise to extend or renew his interest in the Fund at any subsequent period, subject to the rules and conditions prescribed for observance in cases of original application for admission.

RATES OF SUBSCRIPTION.

25. The payments for securing annuities shall be regulated according to the rates laid down in Tables A, B and C. These rates of subscription shall be liable to revision for new entrants if the results of any quinquennial valuation shew revision to be necessary.

26. Risks which are declared to be not first-class, but are nevertheless considered by the Management to be reasonably insurable, may be admitted on payment of an addition not exceeding 50 per cent upon the rates of subscription laid down in the tables. Risks not considered by the Management to be reasonably insurable shall be rejected.

27. When application is made for the admission of a life exposed to more than ordinary hazard, but otherwise good, and in cases where a subscriber enters into or engages in any hazardous service or employment, an augmented rate of subscription shall be charged in proportion to the increased risk. The rate shall be regulated by the Management with reference to the circumstances of each case.

28. A subscriber shall be allowed to insure up to a maximum aggregate limit of Rs. 400 *per mensem* for his wife and children, provided that not more than Rs. 200 *per mensem* be insured for his wife or for his daughters, and not more than Rs. 100 *per mensem* for a son or Rs. 80 *per mensem* for a daughter.

29. As a general rule, subscriptions on behalf of a subscriber's children shall be made for the benefit of unmarried daughters and of sons below the age of 21 years only; and annuities payable to a daughter or a son shall cease when the daughter marries or the son attains the age of 21 years. Subscriptions on behalf of a wife may be made at any time during the joint life time of the husband and wife, and annuities payable shall cease, except as provided in Rule 48, with the widow's life only.

30. In the following special cases a subscriber shall be allowed to subscribe for a child on the same terms and conditions as are laid down for a wife:—

Special provision for children in certain cases.

- (a) That of a widowed daughter who is not already in receipt of a pension from the fund.
- (b) That of a daughter who may be labouring under such mental or bodily infirmity as incapacitates her from earning her livelihood and precludes the possibility of marriage.
- (c) That of a son who may be labouring under such mental or bodily infirmity as incapacitates him from earning his livelihood.

Pensions insurable in these special cases shall be subject to the limits prescribed in Rule 27. The rates of subscription shall be the rates fixed in Table A, the rate for a nominee under the age of 15 years being that laid down in the table for a wife of 15 years.

31. In order to obtain the benefit of the concession provided for in Rule 29, the following documents shall be produced by the subscriber when he applies for admission to the Fund under that rule:—

Procedure to be followed in applying for admission to the special concessions.

- (i) In the case of a daughter under clause (a), sufficient evidence of the marriage of the daughter and death of her husband.
- (ii) In case of clause (b) or clause (c), a statement by the medical officer who examines the subscriber under Rule 14, of the case of the nominee and of his own opinion. The Committee may at their discretion, however, select any other medical officer for this purpose, if they are satisfied that the strict observance of the rule would involve hardship. The fee payable for the medical opinion shall be deposited with the application made under Rule 29. It shall be refunded to the applicant if the risk is accepted.

32. In calculating the rate of subscription the ages of the subscriber and his wife shall be taken at the birthday following the date of payment, after admission, of the first subscription to the Comptroller, India Treasuries, and the age of his son or daughter at the birthday previous to that date.

Beckoning of age.

33. In every case of admission or of increased provision, the subscription shall be computed from the date on which such entrance or increase shall be effected. All reductions in the recorded provision shall take effect from the first day of the month following that in which the application may be made.

Commencement of subscription.

RULES FOR PAYMENTS OF SUBSCRIPTION.

34. All subscriptions shall be paid in advance on the first day of every month for that month.

Date of subscription.

35. When the subscription for any month is not paid within that month, a fine of ten *per cent* of the monthly amount of subscription originally registered shall be charged. Upon the expiry of three months after the last day up to which his subscription has been paid, a subscriber shall cease to be a member of the Fund, and he and his representatives shall forfeit all past payments and all benefits for which they have subscribed.

Penalty for non-payment.

Default incurred.

Example.—If the subscription of A has not been paid for any later date than 31st August, he shall, on 1st December, cease to be a member of the Fund, and shall forfeit all claims. If his subscription has not been paid for any later day than 20th August the same result occurs on the 21st November.

36. When a subscriber, owing to loss of appointment or reduction of pay, becomes unable to pay his subscription and either voluntarily withdraws, or, under Rule 33, ceases to be a member of the Fund, he or any person on his

Conditions of re-admission within twelve months.

behalf shall, at any time within twelve months from the last day for which his subscription has been paid, be allowed to revive his interest in the Fund on payment of subscription in full to date, with interest at six *per cent.* No evidence of health shall be required in connection with such revivals.

Example.—F loses his appointment, or is degraded, or goes on leave, and therefore receives less than full pay; he thereby becomes unable to pay his subscription for December 1902 before the end of February 1903, and ceases, under Rule 33, to be a member of the Fund. Subsequently at any time before the 1st December 1903, he may regain his interest in the Fund on payment of subscription from 1st December 1902 with interest at 6 *per cent.* From the end of February 1903, so long as he has not paid up subscription and interest in full, his family has in the event of his death, no claim on the Fund, and payment of subscription and interest after his death will not be accepted.

37. In any case in which a subscriber satisfies the Comptroller General of his inability to continue his subscription, or to revive his interest under Rule 34, it shall be competent to the Comptroller General to allow any female nominee of such subscriber, at the time of his death, a pension which shall be calculated by multiplying the original pension subscribed for by a fraction of which the difference between his age at the time of insurance and 85 years shall form the denominator, and the number of complete years during which subscriptions have been paid by him shall form the numerator.

Provided, (1) that such pensions shall in no case be sanctioned for the nominee of any subscriber of less than five years' standing; and (2) that any subscriber to whom any concession is made under this rule shall furnish a certificate annually of the existence of his nominee or nominees.

38. If, at the time of a subscriber's death, there be less than three months' subscription due from him, his family shall receive the benefits subscribed for after the subscription due has been realized therefrom, or otherwise paid up to date of his decease; but if the arrears amount to or exceed three months' subscription, his family shall have no claim upon the Fund, and all his past payments shall be forfeited to the Fund.

Examples.—

Leaving subscription for July wholly unpaid.	{	B dies in September	... His family will after deduction of payment of subscription up to the date of his death in September, receive the pension or pensions subscribed for.
		C dies after September	... His family will have no claim on the Fund.
Having paid subscription up to, and for 12th July.	{	D dies on 12th October	... His family will receive the pension, or pensions, subscribed for.
		E dies after 12th October	... His family will have no claim on the Fund.

39. Subscriptions received for any period beyond the date of decease of a subscriber shall be paid at his death to his representatives. On the death, marriage, maturity, or withdrawal of a nominee, subscriptions shall be charged only up to the date of termination of the risk, and any subscription received beyond that date shall be paid to the subscriber.

40. A subscriber who draws pay, pension, or leave allowance from Government shall, while resident in India, unless specially otherwise allowed by the Comptroller, India Treasuries, for special reasons, pay his subscription by deduction from his pay, pension, or leave allowance bill, and he shall be himself responsible for seeing that such a deduction is made before his bill is presented for payment at the Treasury. Such a subscriber

shall not be considered in arrears of subscription for any month so long as he has not drawn pay, pension, or leave allowance for the month next before it.

Example.—A subscriber is pensioned from 1st January, but the Treasury does not receive the authority to pay his pension for or from January until June. He is not in arrears for February if he deducts his subscription for February from his pension bill for January paid in June.

41. Subscribers residing in Europe may make their payments to the recognized Agents of the Fund in London at the market rate of exchange, to be determined by the said Agents at the time of payment.

NOTE.—So long as the Fund is managed by Government, the Accountant General, India Office, is the only authorised Agent of the Fund in London, and subscriptions under this rule shall be payable only to him, or by deduction from leave allowances drawn in England.

42. So long as subscription money shall continue to be paid, whether by a subscriber or any other person on his behalf, the interest of his nominees registered upon the books of the Fund shall be maintained.

RULES FOR ADMITTING TO PENSION.

43. Before nominees can be admitted to the benefits of the Fund, the Entrance Certificate shall be surrendered to the Comptroller, India Treasuries, and certificates furnished of the subscriber's death and the cause of death, from his medical attendant or other competent authority, and of the identity and existence of the nominees.

44. To entitle nominees to the annuity or increased annuity subscribed for, full six months' subscription shall have been received. In the event of a subscriber dying before he shall have paid up the full sum, the amount required to make up the deficiency shall be deducted from the annuity payable to his nominees.

45. If a subscriber shall have committed suicide, any insurance effected within one year previous to the death of such subscriber shall be void, and the payments made in respect of the same shall be forfeited to the Fund.

46. In order to entitle incumbents on the Fund to draw their pensions, it shall be necessary to furnish the Comptroller, India Treasuries, half-yearly with a certificate of existence, in the Form L for widows, and the Form M for children, signed by any competent local authority, or by two subscribers to the Fund. A solemn declaration shall also be made by the incumbent, if a widow, that she continues the widow of the deceased subscriber, and by a female child, if above the age of 14, that she is unmarried. In the case of children below that age, their guardian shall obtain the prescribed certificate of their existence, and also furnish his own solemn declaration that they are alive.

NOTE.—In the case of non-Christians a certificate of non-marriage is required for all female children.

47. It shall not be competent to any incumbent on this Fund, male or female, to hypothecate his or her pension before it becomes due, or to assign it for any purpose other than the maintenance of such pensioner. And the Management shall not undertake to give effect to any such hypothecation or assignment, or recognize it in any way.

48. The annuities of children under the age of 18 shall be paid to their natural or constituted guardians. In cases where there may be no guardians, or where there may be uncertainty who are the proper guardians, the Management shall not be compelled to pay the provision secured to any person until the right of such person shall have been settled by a competent Court of Law. Such arrangements as the Comptroller General shall deem necessary and proper

shall be made meanwhile to secure the Fund from loss, and to provide that the annuity shall be applied to the benefit of the nominees, and the costs incurred in taking such steps shall be realised from the amount payable to them.

49. Annuities shall be paid to incumbents residing in India, in full, and to incumbents residing in Europe, or in any country in which gold is the standard currency and the Indian Government rupee is not legal tender, at the market rate of exchange.

Payment of pensions.

50. The pension to the widow of a deceased subscriber shall cease on her re-marriage, but from the date of her again becoming a widow, she shall be re-admitted to her former pension. If, on her re-marriage, her husband shall be qualified to become a subscriber, he may subscribe for her as if she had had no previous connection with the Fund; and, in the event of his death, she will be entitled to the pensions subscribed for by her husbands. Provided, however, that the total amount of the annuities payable to any widow shall not exceed the maximum of Rs. 200 per month.

Re-marriage of widows.

Reversion to Pension.

51. For the purpose of identification, a widow shall, within six months after her re-marriage, furnish the name, age, occupation and address of her second husband, if he be not, or does not himself become, a subscriber; and she shall keep the Comptroller, India Treasuries, informed of every change of her residence.

Notice of re-marriage.

RESOLUTION—By the Government of India, Department of Commerce and Industry.

In the Resolution of the Government of India, No. 7843—7880-51, dated the 29th October 1910, certain proposals for increasing the number of Post Office holidays were published for criticism, with the intimation that if there was a generally expressed desire on the part of the public to afford relief in the matter of holidays to the employés of the Post Office, the question would be further considered. The replies which have been received from Local Governments, public bodies and private persons are almost unanimously favourable to the proposals. Modifications have been suggested in some respects, the most important being that the additional Post Office holidays should be selected without exception from festivals notified as public holidays under the Negotiable Instruments Act. The Government of India are unable to accept this view. If the extra holidays were confined to days gazetted under the Negotiable Instruments Act, certain important religious festivals, which the Government of India consider it particularly desirable that postal servants should be permitted to celebrate, would have to be omitted from the list. It would be impossible, for instance, to allow any holidays for Mahommedans in Eastern Bengal and Assam. It is moreover desirable that the additional holidays should be as far as possible uniform in all the postal circles, and the selection of certain days which are not gazetted public holidays throughout India has been in some instances unavoidable. In order, however, to prevent any inconvenience to the public, special arrangements for the disposal of postal business will, if necessary, be made at important centres on occasions when a Post Office holiday is not also a holiday under the Negotiable Instruments Act, and on all the holidays the arrangements, which are at present followed on Sundays, will be made for the despatch and delivery of mails.

The only other modifications in the proposals published with their Resolution, dated the 29th October 1910, which the Government of India consider necessary, are the substitution in all circles except Madras and Burma of *Id-us-suha* for *Muharram*, the substitution in the Punjab Circle of *Baisakhi* for *Janm-astami*, and the reduction of the additional holidays from six to four in the Burma Circle, where postal work is lighter than elsewhere.

2. The Government of India have accordingly decided that, with effect from the year 1912 and until further orders, the following days shall ordinarily be observed as additional Post Office holidays :—

For all Circles except Madras and Burma.

- (1) Id-uz-zuha.
- (2) Holi or Doljatra.
- (3) Janmastami or Gokul Ashtami (Baisakhi in the Punjab Circle).
- (4) Id-ul-Fitr or Ramzan.
- (5) Dasehra or one day of the Pujas.
- (6) Divali or Kali Puja.

For Madras.

- (1) Pongul.
- (2) Mahasivarathri (or Telugu New Year).
- (3) Avani Avittam (or Tamil New Year).
- (4) Ayuda Puja.
- (5) Id-ul-Fitr or Ramzan.
- (6) Dipavali.

For Burma.

- (1) Burmese New Year.
- (2) Beginning of Buddhist Lent.
- (3) End of Buddhist Lent.
- (4) Tazaundaing.

If any of these festivals falls on a day which is already a Post Office holiday, or which is otherwise inconvenient, another date will be selected. The dates to be selected will be notified before the beginning of the year in all post offices and in the Post Office Guide.

3. In the current year two additional post office holidays will be observed in the Burma Circle and three in all other Circles, on the following festivals :—

For Burma.

- (1) Beginning of Buddhist Lent.
- (2) End of Buddhist Lent.

For all Circles except Burma.

- (1) Janmastami or Gokul Ashtami.
(Avani Avittam in the Madras Circle).
- (2) Id-ul-Fitr or Ramzan.
- (3) Dipavali or Kali Puja.

ORDERED that a copy of this Resolution be forwarded to all Local Governments and Administrations, to all Chambers of Commerce and Trades Associations, to all Departments of the Government of India, and to the Heads of Departments subordinate to the Department of Commerce and Industry.

ORDERED, also, that a copy be published in the *Gazette of India*.

PUBLIC DEBT.

Simla, the 5th July, 1911.

THREE-AND-A-HALF PER CENT LOAN.

No. 4095-F.—His Excellency the Right Honourable the Governor General in Council has resolved to borrow two hundred lakhs of rupees for the public service in the following manner:

2. Promissory Notes will be issued for the said amount in the Form annexed to this Notification, being the form of the notes of the *Three-and-a-half Per Cent Loan of 1900-01*, of which loan the notes to be now issued will form a part. All the conditions which apply to notes of the *Three-and-a-half Per Cent Loan of 1900-01*, will apply to the notes to be now issued. The interest on the notes of that loan is payable half-yearly on the 30th day of June and the 31st day of December.

Tenders.

3. Tenders for the whole or any part of the said amount of Rs. 2,00,00,000 will be received by the Comptroller General from this date to noon, standard time,* of Wednesday, the 19th July 1911. Tenders must be for sums of 100 Rupees or multiples of that sum.

4. Each tender must be addressed in the form annexed to this Notification, to the Comptroller General, Calcutta, and enclosed in a closed cover, superscribed "*Tender for the Three-and-a-half Per Cent Loan.*" If the tenderer is not resident in India, he must name an Agent resident in India, to whom an allotment-certificate may be issued, if any part of the loan is allotted to such tenderer.

NOTE (1).—Tenders made in accordance with these instructions will also be received by the Accountants General at Madras, Bombay and Rangoon on account of the Comptroller General, Calcutta, on the 19th July and up to noon, standard time,* on the 19th July provided that—

- (a) they are delivered personally or by clerk or messenger at the Accountant General's Office (where a receipt will be given for them);
- (b) they are made on printed forms, to be obtained at the same office or at the local Presidency Bank;
- (c) each tender is for not less than Rs. 10,000;
- (d) the deposit is either a Promissory Note or a Treasury Receipt from the local office of the Presidency Bank, or a cheque on a local Bank in favour of the Accountant General;
- (e) the amount of the tender is made payable at the place of tender, *vis.*, Madras, Bombay or Rangoon (as the case may be) or in Calcutta;

and the Accountant General will return deposits on non-accepted tenders and will issue allotment-certificates so far as the tenders are payable in Madras, Bombay or Rangoon.

5. The rate at which each tender is made must be specified in rupees or rupees and annas: a tender in which no rate is thus specified, but a subscription is offered in some other terms—as, for example, at the recorded minimum, or at some specified percentage in addition to the recorded minimum, or at the average of the accepted tenders—will be rejected as null and void.

* Noon, standard time, corresponds to 12-24 P.M. Calcutta time.

6. The rate at which a tender is made must not contain a fraction of an anna : if a rate containing a fraction of an anna is inserted in any tender, such fraction will be struck out and the tender treated as if the rate did not contain such fraction of an anna.

Deposits.

7. Each tender must be accompanied by a deposit of not less than one-hundredth or, if the tender be for less than Five Lakhs of Rupees, then for not less than one-fiftieth part of the tender. The deposit must be in one of the following forms : (a) a receipt for the amount from the Head Office of the Bank of Bengal, or Madras, or Bombay or one of their Branches, or from an officer in charge of some Public Treasury, or (b) a cheque drawn in favour of the Comptroller General on a Bank in Calcutta, Madras, Bombay or Rangoon, or (c) Government Promissory Notes† standing in the name of, or endorsed to, the tenderer or the person making the deposit.

†It is particularly requested that such Promissory Notes may NOT be endorsed to the Comptroller General.

8. (a) Deposits, not being Promissory Notes, will, in the case of accepted tenders, be credited proportionately in part payment of the allotment-certificates issued in respect of the tender, and will bear interest for the purpose of clause 16 below from the date of the opening of tenders. When a tender is not accepted in full, the deposits, when they are not in the form of Promissory Notes, will be credited as far as possible proportionately in part payment of the allotment-certificates issued in respect of it. If any allotment-certificate is not fully taken up, the deposit credited in respect of it will be forfeited.

(b) Promissory Notes deposited in respect of any accepted tender will be held until all the allotment-certificates issued in respect of the tender are paid up, and will, if the allotment certificates are not fully taken up, be appropriated by the Government and cancelled.

Opening of Tenders.

9. The minimum rate at which tenders will be accepted will be recorded under the signature of the Comptroller General, and, before the tenders are opened, placed upon the table in a sealed envelope, but will not be declared unless some tender is rejected only because it is below the recorded minimum.

10. Tenders will be opened publicly by the Comptroller General at the Treasury Buildings, Calcutta, at noon, standard time,* on Wednesday, the 19th July next, and those received under the terms of note (1) to clause 4 will be similarly opened by the Accountants General at Madras, Bombay and Rangoon at noon, standard time,* on the same day ; but the contents of the tenders will not be disclosed otherwise than as provided in clause 12.

11. Tenders at rates not below the minimum rate will be accepted in the order of the rates tendered, beginning with the highest rate. The amount allotted, at the lowest rate at which tenders are accepted will be divided amongst those who have tendered at this rate in proportion, as nearly as may be found convenient, to the amounts of their tenders, provided that no allotment will be issued if the amount distributable on any tender is less than Rs. 100 : preference will however be given to small tenders, not exceeding Rs. 2,000, at the lowest accepted rate, such tenders receiving allotments in full as far as possible.

Allotment-Certificates.

12. To each tenderer (or to his agent) whose tender is accepted in whole or in part, such number of allotment-certificates as may be necessary to make up the aggregate amount allotted to him will be issued by the Comptroller General as soon as possible after the 19th July and an alphabetical list of the names of those to whom such allotment-certificates are issued will be posted for general information at the Head Offices of the Banks of Bengal, Madras, and Bombay, and at the Branch Office of the Bank of Bengal at Rangoon.

* For tenders received by the Accountants General at Madras, Bombay or Rangoon, and payable at those places, the Accountant General will issue the allotment-certificates.

* Noon, standard time, corresponds to 12-24 P.M. Calcutta time.

13. If the allotment made on any tender is less than Rs. 3,000, then the whole of the allotment-certificates [after credit of the deposit under clause 8 (a)] will be made payable upon the 4th September.

Otherwise the whole amount of each allotment will be divided into two instalments as follows:—

Instalment I.—As near as convenient to 50 per cent, but not less than 50 per cent, payable upon the 7th August.

Instalment II.—The balance payable upon the 4th September and allotment-certificates will be issued for each instalment separately.

But the whole or any part of any accepted tender may be paid at any time after receipt of the allotment-certificates.

The words "as near as convenient" refer to the necessity for making each instalment an exact multiple of Rs. 100.

14. Any allotment-certificates will, on application to the Comptroller General, be exchanged for an equivalent amount of allotment-certificates of smaller denominations; provided that if any payment (beyond the deposit) is recorded upon the cancelled certificate, it can be taken against, and recorded upon, only one of the certificates issued in exchange.

15. Payment of any allotment-certificate may be made to the account of the Government in the Head Office of the Bank of Bengal, or Madras, or Bombay, or in any Branch of these Banks or into any Public Treasury or Treasuries in India which may be named in the tender in respect of which it was issued. Receipts for such payments will be given by the Banks of Bengal, Madras and Bombay, or their Branches, or by the officers in charge of the Government Treasuries at which payment is made, by encasement upon the relative certificate.

Issue of Promissory Notes.

16. (a) When any allotment-certificate is fully paid up, the holder will, on presenting it duly receipted at the place where it was paid, obtain from the Public Debt Office, Calcutta, Promissory Notes of such values as he may desire (each note being in even hundreds and not less than Rs. 100) bearing interest from the 31st December 1911, and he will also receive interest at 3½ per cent per annum from the dates on which he may have made payment till the 30th December 1911.

(b) Or he may, at his option, by paying interest at the said rate from the 30th June 1911 to the dates on which he may have made payment, obtain Promissory Notes as above, bearing interest from the 30th June 1911.

Indian Military Service Family Pension Regulations.

No. 863-P.—In continuation of Finance Department (Military Finance) Notification No. 398-P., dated the 7th April 1911, published in the *Gazette of India* dated the 8th April 1911, the Governor-General in Council directs the publication of the following revised regulations, regarding the Indian Military Service Family Pensions.

J. B. BRUNYATE,

Joint Secretary to the Government of India.

INDIA OFFICE, LONDON,

2nd June 1911.

Financial (Funds),

No. 5.

To His Excellency the Right Honourable the Governor General of India in Council.

MY LORD,

With reference to paragraph 5 of my Despatch, Financial (Funds), No. 3, dated 3rd March 1911, I now enclose twenty-four copies of a revised edition (1st May 1911) of the Indian Military Service Family Pension Regulations. This edition embodies all alterations sanctioned to date.

2. The Regulations, as revised, should be published in the *Gazette of India* for the information of all concerned.

I have the honour to be,

My Lord,

Your Lordship's most obedient humble Servant,

(Signed) CREWE.

The following regulations are designed to secure suitable provision for the widows and orphans of officers of the Indian Army, officers of the Indian Medical Service, and Chaplains on the Indian Establishment, not being subscribers to the late Military and Medical Funds; also officers and engineers of the Royal Indian Marine, and continuous service Royal Artillery and Royal Engineer officers, as well as Royal Engineer officers under the 1904 conditions of service, who elect to subscribe.

Such pensions and compassionate allowances as are, by Royal Warrant, granted to the widows and families of British military officers, are already granted from Indian revenues, to the widows and families of military officers in the service of the Government of India, who are excluded from the advantages of the late Military and Medical Funds; and it is to be clearly understood that the Government of India does not intend by these present supplementary regulations to sanction any further expenditure for this object from the Indian revenues. On the other hand, the Government of India does not, of course, wish that the Indian revenues should in any way profit by these regulations.

The Secretary of State for India in Council has reserved to himself the absolute right to regulate from time to time the contributions to be required from officers, in accordance with these principles, under these regulations, and to make any alterations in the regulations themselves that may appear to him equitable: provided always, that the scale of pensions fixed thereby shall not be reduced in the case of actual incumbents. The Secretary of State in Council will endeavour to adjust the contributions to be levied from officers exactly, so that they shall neither be too large nor too small to supply the pensions provided for by these regulations. But if it should appear on experience that they have been fixed too low, the Government will not require any supplementary retrospective payments; and if they are found to have been fixed too high, no claim to refund will be admitted.

No insurance fund is established by these regulations. The contributions will be credited and the pensions charged directly to the Indian revenues as military receipts and charges. But in order to adjust the rates of contribution from time to time to what is necessary to supply the pensions provided for by these regulations and no more, a separate *pro forma* account will be kept of all contributions levied and all payments made under these regulations, and of the interest which would have been allowed upon such contributions if a mutual insurance fund had actually been established.

In accordance with the principle announced in this notification, that the Government does not intend that the pensions provided by these regulations shall be any charge to the Indian revenues, the rates of interest and of exchange with England, to be allowed in this *pro forma* account, will be the rates which may be fixed from time to time by the Secretary of State in Council, upon a consideration of the market rates of the day.

All needful statistics of ages, births, deaths, and marriages will be carefully registered, and these statistics, with the *pro forma* accounts, will be submitted at such periods as may be determined by the Secretary of State in Council to such actuary or actuaries as he may select, with instructions to investigate and ascertain whether the rates of contribution are such as will, at the rate of interest and exchange then to be reconsidered and refixed, supply the pensions payable under these regulations, and no more. The expense of such actuarial enquiries and reports shall be debited in the *pro forma* accounts reported upon.

Upon the report of the actuary or actuaries the Secretary of State in Council will order any necessary alterations in the rates of contribution.

The report of the actuary or actuaries, with the orders of the Secretary of State in Council thereupon, shall be published in the *Gazette of India*, and any alteration ordered in the rates of contribution will take effect from the beginning of the month following the date of such publication. No retrospective adjustments will be made.

REGULATIONS FOR THE PROVISION OF PENSIONS FOR THE WIDOWS AND ORPHANS OF MILITARY, MEDICAL, MARINE, AND ECCLESIASTICAL OFFICERS IN THE SERVICE OF THE GOVERNMENT OF INDIA.

1. Pensions will be provided under these regulations for the widows and orphans of the following officers on the Indian Establishment, not being entitled to the benefits of any of the late Military and Medical Funds:—

Officers of the Indian Army.*

Officers of the Indian Medical Service, including natives who avail themselves of the option given to them of becoming subscribers.

Chaplains, including probationary Chaplains.†

2. Any officer who has entered the service before the 1st of January 1873 may provide pensions for his family under these regulations or not, at his option. (See Appendix, Form A.)‡

3. Every officer who enters the service on and after the 1st January 1873 must, as a condition of his appointment, provide pensions for his family under these regulations.

4. Any officer with whom, by Regulation 2, it is optional to provide pensions for his family under these regulations but who does not, before the 1st of July 1873, intimate his intention to make such provision will thereafter be allowed to do so only on production of a medical certificate of sound bodily health. An officer who does not, before the 1st of July 1874, announce his intention to provide pensions for his family under these regulations, will not be allowed to do so save under the special order of the Governor-General in Council.

5. For the purposes of these regulations officers are *classed* as follows (for Marine officers see 5B):—

Class I.—Lieutenant-Colonels in receipt of Colonels' Allowances and Surgeon-Generals. (See also Article 9.)

* Officers of the Indian Army become subscribers from the date of the "Gazette of India" announcing their admission to that army, Medical Officers and Chaplains from the date of their arrival in India, or, in the case of a Chaplain resident in India, from the date of his appointment.

† A probationary Chaplain is required to subscribe, but in the event of his not being appointed a junior Chaplain on completion of probation, or of his resigning while on probation, he will be granted a refund, if married, under the provisions of Regulation 20, and if unmarried, of the amount of his contributions, without interest.

‡ Officers who elect to become subscribers must pay their subscriptions and donations from the date of the establishment of the fund, with interest.

Class II.—Officers of the Indian Army, Royal Artillery, and Royal Engineers of 26 years' service,* Archdeacons and Officers of the Medical Service of 20 years' service.

Class III.—Officers of the Indian Army, Royal Artillery, and Royal Engineers of 18 years' service,* Senior Chaplains, and Officers of the Medical Service of 12 years' service.

Class IV.—Officers of the Indian Army, Royal Artillery, and Royal Engineers of nine years' service,* Junior and probationary Chaplains, and Officers of the Medical Service of six years' service.

Class V.—Officers of the Indian Army, Royal Artillery, and Royal Engineers under nine years' service,* and Officers of the Medical Service of less than six years' service.

NOTE.—No Officer of the Indian Army, Royal Artillery, or Royal Engineers will be compelled to subscribe in Classes II, III, or IV, who has not attained the rank of Lieutenant Colonel, Major, or Captain, as the case may be. Such an Officer must elect, within three months from the date of completing the qualifying service, whether he will (i) subscribe in the Class in which his length of service places him, or (ii) continue to subscribe in the lower Class. If he elects (i) he will be charged the donation and increased subscription from the date of completing the prescribed service; if (ii) he will, in the event of subsequent promotion, be charged the donation and increased subscription from the date of such promotion.

An Officer cannot enter a higher Class unless he has previously subscribed in the Class immediately below it.

5A. Royal Artillery and Royal Engineer officers who have been selected, or who have elected, for continuous service in India have the option of subscribing under these regulations, in accordance with the conditions laid down in the Appendix (see pages 20 and 21).

Royal Engineer officers under the 1904 conditions of service must elect within three months of their arrival in India, whether they desire to subscribe for benefits under these Regulations, and they must submit a satisfactory medical certificate. On payment of the prescribed donations (see also Appendix, pages 20 and 21), according to their rank at the time of their application, they will be allowed to subscribe for so long as they remain on the Indian Establishment. On reversion to the Imperial Establishment, such officers cannot continue subscribers; but they will be entitled to receive back such portion of their contributions as may be in excess of the risk borne during the term of their membership. In the event of an officer retiring while subscribing, he may continue to subscribe, provided that he has not less than 20 years' service for Indian pension, reckoned as in paragraph 720, Army Regulations, India, Volume I (1909 edition), at the date of his retirement, or provided that he retires on an Indian invalid pension; or he may withdraw, receiving back such portion of his contributions as may be in excess of the risk borne during the term of his membership.

5B. Officers and engineers who entered the Royal Indian Marine prior to the 1st January 1893 were allowed the option of subscribing under these regulations from that date. Those who elected to do so will not be permitted to discontinue their subscription so long as they remain in the service, neither will those who declined to subscribe be allowed at any future time to become subscribers.

Officers and engineers admitted to the Royal Indian Marine subsequently to the 1st January 1893 must subscribe under these regulations as a condition of their appointment to the Service.

8. The pension of a minor orphan will be paid to his or her mother, or other duly appointed or recognized guardian.

Contributions.

9. The contributions for pensions under these regulations, and the pensions of widows will be regulated by the class of the contributing officer. An officer cannot secure a higher pension for his widow by contributing as if he belonged to a higher class.

As an exception to this rule, the option of subscribing in Class I, is allowed as follows:—

- (i) To an officer of the Indian Army, also to an officer of the Royal Artillery or Royal Engineers who is a subscriber under these Regulations, at the time of completing 31 years' service on full pay from date of first commission provided he has previously subscribed in Class II.
- (ii) To a medical officer at the time of completing 25 years' full pay service, provided he has not previously been promoted to the rank of Surgeon-General, but has previously subscribed in Class II.
- (iii) To an Archdeacon at the time of completing 5 years' service as such (excluding any officiating period), provided he has attained the age of 49 years.

To secure these benefits without medical examination the decision of the officer must be notified within three months of the date of completing the qualifying service, but the option can be exercised at any subsequent period during active service on the production of a certificate of health signed by two qualified medical practitioners.

10. Contributions will be deducted by paymasters or other disbursing officers from the pay abstracts of officers contributing.

10A. The circumstance that an officer is not in receipt of pay does not relieve him from the necessity of paying his contributions.

11. Donations may be paid in one sum, or in 12 equal monthly instalments as per Tables III., IIIA, and V. The balance of any contribution due at an officer's death will be recovered rateably, without interest, from the pensions of his widow and orphans, in 12 monthly instalments.

Donations will become due from the date on which the liability is incurred, *vis.*, on marriage, on promotion;† or on the birth of a child; but interest will not be charged on sums paid within one month from the date on which they become due.

Reports of Marriages, Births, and Deaths.

14. An officer who is married at the date of his admission into the service must report the fact of his marriage at the time, and the names and dates of birth of his children, if any have been born to him. These reports must be made in accordance with the instructions given in the Appendix.

16. If the report of a marriage, or of the birth of a child, be not made within one month of the occurrence, the donation payable in each case will be increased 2½ per cent and interest thereon charged from the date of marriage, or birth of the child. After six months' delay, donations will be increased 5 per cent, and interest charged as above. After 12 months' delay, medical evidence as to the state of the subscriber's health must be furnished.

17. In the event of the report of a marriage, or the birth of a child, not being made by a subscriber during his lifetime, in accordance with the rules, the widow or child will not be entitled to any benefits.

Posthumous Child.

18. A pension will be granted to a posthumous child on payment of the donation prescribed in Table V, which may be recovered by 12 monthly instalments without interest. The report of the birth of a posthumous child must be made in Form D, the last sentence being omitted, and a certificate of the child's birth furnished.

Duration of pensions.

19. If a widow re-marry, her pension will cease during coverture, but if she again become a widow she will be entitled to revert to her pension as widow of her first husband, or, if her last husband have been a contributor, to receive a pension at her option as the widow of her last husband. A widow can only receive one pension.

20. The pension of a male orphan is payable until he attains the age of 21 years.

20A. Subscribers can make special provision for pension to sons under the age of 21 years who may become permanently incapacitated from earning a livelihood.

The pensions so provided for will commence at the age of 21, if the son be then fatherless, or, after that age, on his becoming fatherless, and as regards the amount of such pensions, and the subscriptions to be paid to secure them, each case will be considered and determined on its merits.

21. The mother or guardian of a male orphan who has completed the age of 16 may, with the sanction of the Secretary of State for India in Council, at any time thereafter (on application in Forms F. to H. annexed to these regulations), have the residue of his pension commuted into a single payment, for the due application of which the mother or guardian will be held responsible. Alienation of Pension.

24. A pension paid under these regulations may not be transferred or assigned, or in any way alienated from the pensioner to whom or for whose benefit it is payable.

Passage Money.

25. An officer may, by a special contribution, provide passage money from India for his widow and orphans. The amount so secured will be paid to the widow, or to any children of the deceased officer, for the provision of their passage money and contingent expenses. If, however, the surviving members of the deceased officer's family are not in India, or do not wish to leave India for any other country, the money will be credited to the deceased officer's estate, and payment can be made in India in rupees, or in England at the official rate of exchange, according to the election of the person or persons entitled to receive the money. The amount secured must not exceed Rs. 3,000, and a health certificate must in every case be furnished by the subscriber.

Officers transferred to British Army and Officers who resign.

26. Officers who may be transferred from the Indian Army to the British Army, officers of the Indian Medical Service who may be transferred to the Royal Army Medical Corps, officers of the Royal Artillery and the Royal Engineers who revert to the Imperial Establishment, and officers who resign the Service, will be entitled, if married and with or without children, or on account of their children, if widowers, to receive back such portion of their contributions as may be in excess of the risk borne during their membership, but no refund will be made in respect of unmarried subscriptions, nor for risks that have terminated by death or otherwise. None of the above officers can continue subscribers.

* As an exception to this rule, an officer who is granted a compassionate allowance on resigning the service may continue to subscribe at the half rate of subscription.

Half-pay.

27. Married officers on temporary half-pay must continue to subscribe for full benefits, but while in receipt of half-pay they will have the option of paying only half rates for their wives. In the latter case, however, they will, on retirement, or reversion to full pay, be required to pay arrears, with interest; and in the event of the death of a subscriber while on temporary half-pay or before the arrears have been paid the amount due will be recovered from the pension granted to the widow. Unmarried officers must continue to subscribe at the half rate of subscription.*

Retired Officers.

28. Married officers who retire from the service on a pension may continue to subscribe at the half rate of subscription, or they may withdraw, receiving back such portion of their contributions as is in excess of the risk borne during the term of their membership; but the usual subscription will be deducted from the pension of all such officers until they shall have intimated in writing their intention of withdrawing. The refund of the excess risk applies also to children, whether officers are married or widowers. Unmarried officers may continue their subscription on the same terms as married officers, but will not be entitled to any refund in the event of their withdrawal.

* This regulation applies also to officers and engineers of the Royal Indian Marine who are temporarily transferred to the Retired List.

No refund is made in any case in respect of risks that have terminated by death or otherwise.

Dismissed Officers.

29. An officer who is dismissed the service by sentence of a court-martial, or by other competent authority, will cease, *ipso facto*, to be a contributor under these regulations, and will have no claim to any refund. His family will not be entitled to any pensions under these regulations.

Certificates.

30. Declarations as to continued widowhood and the survival of children must be furnished to the Accountant-General, India Office, by whom pensions in Europe are paid under the authority of the Director of Funds. When pensions are paid in India similar declarations must be furnished there.

These extra donations may be paid in one sum or in twenty-four equal monthly instalments, the period during which they may be paid being limited to two years from the date on which the officers elect to subscribe. If payment be made by instalments, interest on the unpaid portion will be levied at the rate of 4½ per cent per annum. The balance of any contribution due at an officer's death will be recovered rateably, without interest, from the pensions of his widow and orphans in twenty-four monthly instalments in India, or eight quarterly instalments in England.

Royal Artillery officers who may be selected, or Royal Engineer officers who elected, for continuous service in India are required to exercise the option of subscribing for their families under these regulations within three months from the date of their election for continuous service. After the expiration of three months they will be required to produce a medical certificate of good health before they can be permitted to do so.

Continuous service officers of Royal Artillery or Royal Engineers will be called upon by the authorities in India to say whether they desire to become subscribers. In the event of their electing to do so, their subscriptions and donations will be due from the date on which they became continuous service officers.

Officers who do not exercise the option of subscribing within three months from the date of their electing for continuous service will not be allowed the advantages in regard to the date of commencing to pay interest, given by Article 13. They will be charged interest from the date on which their donations became due.

N.B.—The extra donations specified above, which are also payable by Royal Engineer officers under the 1904 Conditions of Service, are subject to a temporary reduction of 50 per cent. The rate of interest allowed and levied has been reduced from 4½ to 4 per cent per annum with effect from the 1st May 1911.

Reports and applications under these Regulations should be made:—
